PURE RELIGION, UNVARISHED DEMOCRACY AND GOOD GOVERNMENT.

TWENTY FIFTH YEAR.

LANCASTER, KY., THURSDAY AFTERNOON, APRIL 23, 1914.

NUMBER 3.

## The "Light" Fantastic

Tango down here and let us give you some light on the subject of EDISON MAZDA Lamps and you'll feel no Hesitation about dancing back home with a full equipment of

## EDISON MAZDA LAMPS

They give three times as much light as old-style Carbon lamps—with the same amount of electricity. Put one in every lamp socket in your home, office, store or factory.

Let us show you.

CONN BROS.

Lancaster, Ky.

Monday is county court day.

Advertisements are up for the Street Fair in Lancaster during the week of May 11th.

One more step has been taken toward the improvement of the Park, the trees have been trimmed.

Next Monday is "Horse Show Day", and the best in Central Kentucky are expected to be on exhibition.

We need that dollar, but anyway we will be glad to have you call and see us while in town next Monday, dollar or no dollar.

Intermittent showers, typical April weather, has seriously hampered and deterred the gardeners as well as the farmers of the county.

We are to have a street fair and a Chautauqua to attract visitors, whether or not we have a stock fair, which seems highly improbable.

There are any number of people in Garrard county "mad enough to fight Mexico" and who are anxiously waiting and hoping for the firing of the first gun.

Eighteen tickets were sold for the Cincinnati excursion Sunday morning. How many of these were good cooks for their annual across the river outing, not to return until the fall of the year.

Chief Herron has his weather eye on several persons from a distance who have been coming to Lancaster on court day and carrying on a "bootlegging" business, and it would not surprise us if Monday should prove their Waterloo.

## THE SICK.

Our sick list is progressing nicely. Mr. Tinsley is probably the most seriously ill, but his fever is declining and it is thought that he will show a much improved condition in the near future; Dr. Wheeler is doing nicely, as is Mr. Davis Sutton and Mr. Peter Wells. Mr. William Ray continues to improve and we hope to see him out in the near future.

## SOME COLT THIS.

The two weeks old colt of Edna Mae, and by Kentucky's Choice, was sold last Monday to Mr. James Gay and Mat Cohen, of Lexington, for \$1500. Mrs. Richard Tasker Lowndes is the proud owner of this wonderful brood mare, which promises to be as sensational as a brood mare as she was in the showing. Mr. Joe McDowell Jr. is looking after the interests of Mrs. Lowndes and will be on hand here next Monday, our annual horse show day.

## LOST HIS CALENDER.

Mr. Lew Holmes who travels for the Louisville Stove & Tinware Co., of which firm he is a member, has been "making" Lancaster regularly on court days for—well we can't say just exactly how long. Mr. Holmes put in an appearance at the Kengarian on last Sunday morning and his coming at a time other than his regular date considerably upset a number of the "regulars" about the hotel who began to fear that they were mistaken as to the day of the month.

## STARTS FOR LONG JOURNEY.

Mr. Waller Hudson sailed from New York Saturday for Valparaiso, Chile. It will take him a month to reach his destination and when he does he will be as far south of the equator as we are north of it. Waller has a responsible and lucrative position as mining engineer, and his success has never been a surprise to those who have watched his career with interest, as he stood at the head of his class in our high school, at Central University and at Princeton. Studious, painstaking and conscientious he has always been and is well worthy of all the honors conferred upon him.

## CHANGE AT DEPOT.

Mr. James Landram has resigned as assistant agent of the L & N at this place, the resignation to be effective on May 1st. Mr. Horace K. Herndon will succeed Mr. Landram, and is now at the depot being broken in to his new duties. Mr. Landram has been stationed at this place for about six months and by his courtesy and politeness to the public has won many friends who will be sorry to see him leave. He will go to California. Mr. Herndon has been in business in Lancaster for many years, is a home boy and it will delight his many friends to know that he will be on duty at the depot.

## AN ENJOYABLE MUSICAL.

Miss Lettie Mae McRoberts was the hostess at an enjoyable musical given at her beautiful home on Danville St. last Saturday afternoon. This musical marked the closing of a private class taught by Miss McRoberts. Her pupils were Misses Elizabeth Gibbs, Martha Tindler, Katie Barnes Dickerson, Ruth Carrier, Margaret Cook, Carrie Belle Romans, Meflyn Walker and Alice Rigney.

All of them rendered from memory classical music and acquitted themselves in a manner pleasing to their teacher, parents and friends.

Delightful refreshments were served and a social hour was enjoyed, the pupils and Miss McRoberts being showered with congratulations.

## CAFE ROBBED.

The cafe of Henry Silliman, of Danville, was entered by burglars Tuesday night and the safe blown and about \$85. in money taken. Entrance was first forced into the Nelson's garage where the tools, with which the safe was forced opened, was taken. No clew.

## SECURES GOOD HORSE.

Forest Stapp has just secured the fine young stallion, K. C. Todd, 2:14, conceded to be one of the handsomest horses in the state. He will have him on exhibition here next Monday, and promises to show the boys some speed. Watch for him.

## MRS. PATTERSON SERIOUSLY ILL.

As the Record goes to press, Mrs. G. M. Patterson is reported as being seriously ill and her death is momentarily expected. Mrs. Patterson is one of Lancaster's most estimable women and her long and serious illness has been a source of much grief to her wide circle of friends.

## VEAL CALF BRINGS FIFTY CENTS A POUND.

Mr. R. E. McRoberts bought a jersey cow and week old calf of Mr. Edgar Price, for which he paid \$80. The calf being a beautiful heifer, attracted the eye of J. I. Hamilton, and he offered the owner fifty cents a pound for it, which was promptly accepted. The calf weighed 52 pounds and cost Hamilton \$26.00.

## DOGWOOD WINTER PASSES WITHOUT DAMAGE.

The cold spell which descended upon us the first part of the week was called by the old residents "Dogwood Winter," and we are to be thankful that it passed without damage to vegetation. The next, and we are told the last cold spell, which we may expect, is "Blackberry Winter" which is due to arrive in about two weeks. It is reasonable that we may expect some summer weather by the 4th of July.

## HOME FOR THE FIRST TIME IN FIFTEEN YEARS.

Mr. Bright Sutton is here from Deming N. M. visiting his father Mr. Wesley Sutton and other relatives. Mr. Sutton left this vicinity about fifteen years ago, and it was thought at the time that he was suffering with tuberculosis. However, Mr. Sutton now looks to be the picture of health and is feeling fine. He has not only profited physically in the southwest, but has also succeeded in a financial way, he is a conductor on the Santa Fe system out of Deming and is rapidly climbing to the top of the ladder in railroad circles. He is meeting with a warm reception from his friends of his boyhood days.

## LANCASTER WOULD HELP HIM TO COMPLETE A REGIMENT.

Advices from Washington indicate that in the event of a call for troops, Kentucky's quota would be 8,000 men. Rep. Maurice Farris Jr. of Danville has written Gov. McCreary volunteering to raise a company in Boyle county to go to the front and assist in the laudable enterprise of exterminating the Greasers. In the event that Mr. Farris would prefer a larger body than a mere company, if he will come over into Garrard he can easily supplement his Boyle county enlistment to the number of a full regiment.

## ENDORSE WILSON BY FLOOD OF TELEGRAMS AND SIGNED STATEMENT.

Democrats all over the Eighth District, aroused by the impression put out that they were not in sympathy with the administration's policy to repeal the Panama Toll Act, sent a flood of telegrams to President Wilson endorsing his position. It is reported that these telegrams went into the White House from leading Democrats all over the District.

A paper was circulated in Garrard County addressed to the President and endorsing his stand to repeal this measure and congratulating him upon the success of the democratic administration. In a few hours several hundred names had been secured, among those being most of the County officers, all the democratic city officials, democratic officials of the various banks and leading democrats to whom the petition was presented. Not a single democrat refused to sign the petition to whom it was presented. It was very manifest that the democratic party of Garrard County is solidly behind the President on his position of repealing the Toll Measure. It is reported that similar papers are being circulated and freely signed by democrats in other Counties of the District.

## U. S. GOVERNMENT

### SEEM LIKELY TO BEGIN ON LANCASTER BUILDING In The Near Future.

The supervising architect connected with the U. S. Treasury department has recently made a hurry demand upon Postmaster West of this place, who is also custodian of the building lot purchased here by the government, for the survey, elevations etc, pertaining to the said lot. This is taken to indicate that there is likely to be "something doing" in the near future in the matter of the erection of the Public Building at this place.

Luckily Mr. Tinsley, who is ill of typhoid fever, and who made the survey, had completed the work, except as to minor details, before he was taken ill, and Mr. West was able to forward them promptly in compliance with the request. The contract for the erection of the building at Bardstown was let last week, and as the site at this place was settled before that at Bardstown, it leads to a strong belief that the Lancaster contract will also be let in the near future, and that the coming summer may witness together with other improvements the construction of the handsome new Government building in Lancaster.

## DEATH

### ATTESTS FIRST LANDING OF AMERICAN BLUEJACKETS

On Mexican Soil.

The controversy between the Provisional Governor of Mexico, Gen. Huerta, and the United States, has culminated in the landing of American Bluejackets at Vera Cruz, which was attended by bloodshed and loss of life. Rear Admiral Fletcher took Vera Cruz on Tuesday afternoon, his occupation of this port met with stubborn resistance, the Mexican soldiers opening fire on the American soldiers from house-tops and any available cover. The waterfront, the customhouse and all important piers, including the railroad yards and terminals, were seized thus cutting off egress or ingress to and from the interior. The occupation of these points were prefaced by a demand through Consul Canada to Gen. Maas in charge of the Mexican troops that he surrender, this he declined to do, when ten whaleboats loaded with blue-jackets were sent from the Prairie, these were followed by Capt. William R. Rush from the Florida, who brought in his flag and commanded the forces ashore. Capt. Rush had under him 150 bluejackets from the Florida, 390, marines from the Prairie and 65 marines from the Florida, these were augmented by a detachment from the Utah. These were scattered about at points of vantage and at first met with no resistance, but suddenly their approach was challenged with a volley from the main plaza, this was followed by desultory firing for a short while, and at 12:30 the firing became general and at 1 o'clock the guns of the big transport the Prairie went into action. The Americans were under instructions to shoot only in self defense. After the first engagement it was found that 12 U. S. marines had been killed and 50 wounded and it is estimated that the Mexican losses will reach to 200. The firing continued in a desultory manner as late as 10 o'clock p. m. at which time Admiral Fletcher warned the federal commander that if it did not cease the city would be bombarded by the big guns of the ships in the harbor.

The landing at Vera Cruz was effected a little sooner than had been intended because of the fact that a German vessel was in the harbor laden with arms and ammunition for Huerta, which our forces wished to prevent being unloaded or reaching a mooring at the harbor.

The occupation of Vera Cruz followed the refusal of Gen. Huerta to make amends to this country by saluting the flag for the arrest of American blue jackets who had landed at Tampico for supplies. President Wilson deeming the occasion very urgent did not wait the action of the Senate giving approval of his acts.

Later advices state that the bombardment of the city of Vera Cruz has begun. Huerta has called his ministers about him, and has signified his intention not to surrender. Grave fears are entertained for the safety of Americans in the interior, and this fear is intensified by the report that no trains are arriving at Vera Cruz.

Gen. Huerta is trying to involve the revolutionists in Mexico in the controversy with the United States, seeking to unite the federal and rebel forces to make common cause against this country, but reports from those high in authority among the rebels state under no circumstances will the revolutionists make cause with Huerta.

## TEATERSVILLE.

Mrs. James Prather has been on the sick list. Miss Mary Baker of Nina has been visiting friends here. Mr. and Mrs. Lige Long are visiting Mr. Charlie Boltons. Miss Della Barnett visited Mrs. Carrie Sutton Sunday. Mr. and Mrs. Prather visited Mr. and Mrs. Maurice Wheeler recently. Master Adock Beazley visited his cousin Mr. Wiley Beazley Sunday. Rev. Morgan filled his appointment at Bethel Saturday night and Sunday. Mr. Jim Snyder and family are visiting her father Mr. Charlie Bolton. Mr. and Mrs. John Sebastian visited his sister Mrs. M. B. Wheeler Sunday. Mr. William Sebastian and wife visited his sister at Shelby City Sunday. Miss Myrtle Hume spent last week with her grand-mother Mrs. Sarah Hardin. Mr. Theodore Irvine and wife visited her parents Mr. and Mrs. M. B. Wheeler. Misses Cora and Lizzie Rodgers of Nina spent Sunday with Misses Marie and Mabel Prewitt. Mrs. Nannie Prather entertained at her home with her splendid phonograph Wednesday evening. The little son of Will Beazley who was seriously injured by being kicked by a horse is improving. Born to the wife of Mr. Coney Hager a boy on the 17th and has been christened Alonza Mason. Mr. J. J. Sebastian, Maurice Wheeler and Will Sebastian called at Mr. John Pendleton's Sunday evening. Noah Sebastian has rolled out his new buggy and he and Cecil Prather made a flying trip to Lancaster. In spite of the cold frosty nights quite a crowd was out Wednesday afternoon gathering greens. All went to their homes with a good supply. George Hendren the little son of Mr. and Mrs. Hunter Ray had the misfortune to sprain his ankle very seriously while visiting friends here. We hope to hear soon of his speedy recovery. Mrs. Floyd Ray proved herself a charming hostess at Easter dinner 35 of her immediate friends and relatives partaking of the bounteous dinner that was enjoyed by both old and young. Those from a distance were Mr. and Mrs. Hunter Ray of Bourne Ky. The guests departed wishing Mrs. Ray many happy returns of Easter.

## Rheumatic Pains Relieved.

Why suffer from rheumatism when relief may be had at so small a cost? Mrs. Elmer Hatch, Peru, Ind., writes, "I have been subject to attacks of rheumatism for years. Chamberlain's Liniment always relieves me immediately, and I take pleasure in recommending it to others." 25 and 50 cent bottles. For sale by all dealers. Imo.

## Stomach Trouble Cured.

Mrs. H. G. Cleveland, Arnold, Pa., writes, "For some time I suffered from stomach trouble. I would have sour stomach and feel bloated after eating. Nothing benefited me until I got Chamberlain's Tablets. After taking two bottles of them I was cured." For sale by all dealers. Imo.

## MARKSBURY.

Miss Tarkington of Perryville was the guest of Miss Mary Chesnut Sunday. Mr. George Ison of Letcher county has been visiting his sister Mrs. Kelly Hogg. Mr. and Mrs. Ed Clark spent the week-end with her sister Mrs. Frank Land of Buckley. The "5th Sunday meeting" will be held with the church at this place the next 5th Sunday which will occur on the last Sunday in May. Mark Goins has built an addition to his shop where he has installed a grist mill. The engine arrived last week and everything in readiness for grinding. Notwithstanding the stormy day a pretty fair crowd attended "Missionary Day" last Sunday morning. The boys and girls who carried out the program acquitted themselves well and did justice to the Committee who had them in hand at the class of the exercise. The classes assembled in their customary places when a collection was taken from each class. The report read by the S. S. Secretary was \$0 pupils present and \$30, collected.

## STOP CATARRH!

Use Hyomei—You Breathe It.

Unless properly treated this disease often leads to a serious if not fatal ailment. It is needless to allow catarrh to ruin your health—use Hyomei—it is certainly effective relief for catarrh. It's the direct-to-the-spot treatment. You breathe it—no stomach dosing. No household should be without Hyomei. It not only gives quick and lasting benefit in cases of catarrh but is one of the surest and most pleasant treatment for head colds, sniffles, or croup of children. Hyomei is a combination of antiseptic oils—you breathe it—using a small inhaler. The air laden with health restoring Hyomei soothes, heals and vitalizes the sore, raw and inflamed membrane of the breathing organs almost immediately. There is no other remedy that benefits so surely or so quickly. Money refunded by R. E. McRoberts if you are not satisfied. Do not be without Hyomei another day. Druggists everywhere sell it. Get the complete outfit—\$1.00 size—this contains the inhaler and bottle of liquid.

With every undertaking of President Woodrow Wilson crowned with success since he entered the White House and with a united and victorious Democracy applauding the mention of his name, and the trusting masses every where willing to follow in his lead and halting him as one of the wisest and safest sages who ever occupied the chief executive's chair of the nation, after one year's such service he came before the joint session of Congress on March 5, 1914, and read a message, the following of which is a part:

"Gentlemen of Congress: I have come to you upon an errand, which can be briefly performed, but I beg you will not measure its importance by the number of sentences in which I state it. No communication I have addressed to the Congress carried with it a graver or more far-reaching implications as to the interest of the country. I have come to ask you for the repeal of that provision of the Panama Canal Act of August 24, 1912, which exempts vessels engaged in the coastwise trade of the United States from payment of tolls and to urge upon you the justice, the wisdom, and the large policy of such a repeal with the utmost earnestness of which I am capable. I ask this of you in support of the foreign policy of the Administration. I shall not know how to deal with other matters with greater delicacy and nearer consequence if you do not grant it to me in ungrudging measure."

A bill was very promptly introduced in Congress to carry into effect the Administration's urgent request and after due time for debate a vote was taken and every member of Congress from Kentucky voted to uphold the Democratic Administration and the President's recommendation, except Caleb Powers, John Langley, Republicans, and Harve Helm of this District. But we find our worthy contemporary and good friend, Mr. Louis Landram, of the Danville Messenger, commending Mr. Helm for his vote as follows:

"Without entering into the merits of the Panama Exemption Repeal Bill, we beg to say, as President did, that it is debatable. Therefore, no censuring should attach to any Congressman for the position he took on the question. This is especially true of those who were in the minority for they certainly did not seek the favors or good will of any one, but acted in accordance with their best judgment, the dictate of conscience and were true to the oath of office."

Mr. Helm is in congress by the grace of the Democratic party and for him to daily when the President thinks the administration is facing a crisis, and to desert when the party is in peril, may not be deserving censure but we opine that both congressman Helm and brother Landram have a job to convince the democrats of the district to the contrary.

How great the open censure will be against Congressman Helm for this vote by the Democrats of this District is yet to be observed, but we feel justified in saying that when our present representative again submits his claim to the people for support he will see that Democrats will prefer to have a representative in Congress who can present the side of this debatable question with the approval of conscience as requested by the President, and approved by the entire Democratic delegation in Congress from our State, including our popular Senator, Ollie M. James.

The Democrats of the Eighth District, will likely prefer a representative whose judgment is more in accord with the President's and whose judgment and conscience does not lead in the path of Caleb Powers and John Langley. The suggestions made by Congressman Helm, that he is being congratulated by the Democrats of this District upon his vote against the Administration's policy, puts in issue, in a way, whether the party of this District will take its stand with Congressman Helm or approve the course of the Administration. He may not be censured for his vote, we will be surprised if he is not for taking the latter step, and we will wait to hear from our neighbor upon the latter proposition.

The President has made every reasonable effort to avoid complication with the defacto government of Mexico. But Huerta and his followers have exhausted the patience of the President and committed all sorts of unpardonable offenses against our Government. The Administration has handled this matter with its characteristic wisdom and caution. While some have thought the President could have acted more hastily, but since the turn of events his present actions now have the approval of all parties in this nation and if we must go to war with Mexico we have the sympathy and co-operation of the nations of the world, The United

country will rally to uphold the dignity of our flag and patriotically support the Administration in its efforts to resist the insults offered our nation.

**CAPT. A. T. ANDERSON.**  
Captain A. T. Anderson is suffering from a severely wrenched shoulder occasioned from a fall which he recently received. He is compelled to carry one arm in a sling, but is continuing about his duties at the warehouse of Mr. F. B. Marksbury where he is employed.

## BOOK SHOWER

At Womans Club Room.  
The members of the womans club issued invitations to their husbands, sweethearts and friends, to attend a reception in their club rooms, on last Thursday evening. The reception was in the form of a book shower, each guest being requested to bring a book, which resulted in 78 handsome volumes being added to the library. The members are deeply grateful to the happy way in which so many responded. The guests felt that a book was a small exchange in lieu of such a delightful evening spent.

## CHILDREN HURT WHEN SCHOOL WAGON

Turns Over Near Buena Vista.

One of the handsome new wagons employed by the new Consolidated School at Buena Vista turned over on Tuesday injuring several of the children, one of them severely. The wagon was in charge of Mr. Wilbur Scott and when descending a steep hill one of the lines broke and the wagon overturned upon reaching a culvert. Twelve children were in the wagon at the time, and all but two were injured, none severely however, except a little daughter of Mr. Marshall Scott, who received a severely fractured shoulder. Dr. Elliott was summoned from Lancaster and ministered to the little sufferer and she is getting along nicely, though yet confined to her bed. Dr. Montgomery was also called from Bryantsville and the bruises of the other children were given attention and they were all able to go to their homes. But for the presence of mind and bravery of Mr. Scott the driver, the accident might have proven much more severe. The wagon was badly damaged.

## SAUFLEY FOR CONGRESS

Frankfort Dispatch Says That Shelton Sauflay, Of Stanford, Will Probably Enter Race Against Helm.

The following interesting dispatch from Frankfort appeared in the Louisville Herald.

"Interesting gossip of Congressional politics in the Eighth District was brought to the capital today by several prominent politicians of that district who came to the State House on department business.  
"According to the report they brought the opposition to the re-election of Congressman Harvey Helm is about to center on Shelton M. Sauflay, editor of the Interior Journal at Stanford, and formerly a newspaper man of Frankfort, as the proper man with whom to defeat Helm. Stanford is in Lincoln, Helm's home county, and according to the prediction the Democrats made here today, Sauflay is the only man in the district who can beat Helm in his home county and carry the lower tier of counties in the Eighth, composed of Adair, Casey, Boyle, Garrard, Lincoln, Mercer and Madison.  
"Sauflay's popularity in his home county is said by the men here today to be due to the record he made as a member of the Lower House of the recent session of the General Assembly, when he fathered and led the successful fight for a change in the road engineer's law. His efforts and vote against the Glenn Insurance bill also made him many friends at home and in and in other counties of the district, according to the Democrats, as well as his great work as chairman of the House Committee on Appropriations in giving the recent Legislature the record of having been the most economical that has met in Kentucky in the past score of years.  
"According to the Eighth District men here opposition to the re-election of Helm has developed all over the Eighth District since he chose to align himself with Caleb Powers and John Langley, the two Republican members of Congress from Kentucky in opposition to President Wilson's Canal Toll Repeal bill.  
"The men who were here today said that Eighth District Democrats do not relish the fact that theirs was the only member of the lower house of Congress who deserted the President at such a critical period in his administrative program. They said that if a candidate would make a fight for the nomination on such grounds he would defeat Helm overwhelmingly.  
"Sauflay's paper, the Interior Journal, was the first country paper in Ky. to espouse the cause for the nomination of Wilson at Baltimore, and opponents of Helm say that on a platform of endorsement or non endorsement of the President, the present Congressman will find the Democrats of his district overwhelmingly against him and in favor of the President."

## AFTER HELM'S TOGA

### FORMER SUPPORTER NOW SEEKS DEFEAT OF CONGRESSMAN.

Mr. Shelton Sauflay of the Interior Journal was in Danville Monday shaking hands with the Democratic voters. Although a former friend and warm supporter of Congressman Helm he is now very much opposed to the return of the present Congressman again to Washington to represent this District. He thinks it an easy thing to beat Helm and has had sufficient encouragement himself to get the Congressional bee in his own bonnet. He says that Helm is very unpopular in Lincoln County and that he will get a majority of the votes in his home County if he decides to run. His announcement will probably be made in a few days. The candidacy of Mr. Sauflay will be a surprise to many people because it has been generally understood that Helm and Sauflay were very warm friends. While it is not generally known, it is thought that Helm's failure to support the administration in the Panama Toll Repeal Bill has caused the breach between them.

## OPERA HOUSE TO BE COMPLETED

By June 15th.

The new opera house is expected to be complete and ready for occupancy not later than 15th. Work is going forward rapidly upon the foundation, and the Garrard Milling Co., have Mr. C. P. Anderson, an experienced concrete workman, busily engaged superintending the manufacture of the concrete blocks for the construction of the building. It will take 4799 of these blocks to complete the structure, the lower story will be of blocks 12'x8'x2', while the upper will be of blocks 8'x8'x2' the blocks to be artistically finished so as to present an attractive appearance. The building is to be 100x40 feet, the lower story to be utilized as a garage, the upper as an Opera House. The latter is to be comparatively fire proof, well ventilated and heated with modern improvements, including a floor with a three foot drop, a commodious lobby, with stairway leading to gallery without the necessity of entering the lower floor, modern stage and seating and all the appointments of the latest style and best equipped opera houses of the country. Mr. Herron who is building the structure, has had several flattering offers to lease the building when completed, but as yet has not accepted any of them, having not yet fully made up his mind as to the manner of leasing, whether he will equip it himself with picture machine and accessories, or whether he will allow the lessee to furnish the machine. The garage part however, is already rented and the rapid construction of the building is being pushed by the party leasing it in order that he may get into it before the close of the automobile season.

## PERSONNEL OF UNITED STATES SUPREME COURT

And Salaries Of Members.

You often hear the question asked as to how many members comprise the Supreme Court of the United States, who those members are and what salary is paid them. These questions are much more easily asked than answered, and for the benefit of the great majority who cannot answer them, we give below the information: The Chief Justice is paid \$15,000 per year, while the Associate Justices receive \$14,500 per year, the members are as follows.

Chief Justice Edward Douglass White, of Louisiana, Democrat, appointed an Associate Justice by President Cleveland in 1894 and made Chief Justice by President Taft in 1910. Born in 1845.

Associate Justice Joseph McKenna, of California, Republican, appointed by President McKinley in 1897. Born in 1843.

Associate Justice Oliver Wendell Holmes, of Massachusetts, Republican, appointed by President Roosevelt in 1902. Born in 1841.

Associate Justice William R. Day, of Ohio, Republican, appointed in 1903 by President Roosevelt. Born in 1849.

Associate Justice Horace Harmon Lurton, of Tennessee, Democrat, appointed in 1909 by President Taft. Born in 1844 at Newport Ky.

Associate Justice Charles Evans Hughes, of New York, Republican, appointed in 1910 by President Taft. Born in 1862.

Associate Justice Willis Van Devanter, of Wyoming, Republican, appointed in 1910 by President Taft. Born in 1859.

Associate Justice Joseph Rucker Lamar, of Georgia, Democrat, appointed by President Taft in 1910. Born in 1857.

Associate Justice Mahlon Pitney, of New Jersey, Republican, appointed by President Taft in 1912. Born in 1858.

Two retired members of the court are still living: George Shiras, of Pennsylvania, and William H. Moody, of Massachusetts.

## LANCASTER GROWS STEADILY

Despite Many Obstacles.

There is perhaps not a town situated as Lancaster, in Kentucky, that makes as steady and as healthy growth as that city. On a little jerk water branch of the L & N, with no opposition as to rates, compelled to obtain every commodity by that one rail line, with no other outlet save that to depend upon for distributing the bountiful products of the surrounding county to the markets of the world, yet Lancaster manages to maintain an air of thrift equalled by few and surpassed by no town of its size in this section of the state.

Our shops are replete with as complete and up-to-date wares as may be found in Lexington or even more pretentious towns, the prices asked for the wares compare favorably with those asked other places, and when you take in to consideration the cost of a trip from home to another market, you will find that "shopping at home" is far more satisfactory as well as economical to Lancaster and Garrard county people.

Nor does the restraints as to transportation facilities placed upon Lancaster seem to retard its growth; it is true there is no boom in Lancaster, but a good steady, healthy growth is always to be observed.

Among the recent additions to the business interests of the town may be mentioned a bottling works, a garage, several stores and with many other enterprises in course of construction or under consideration. These enterprises are not attracted by "exemption from taxation" for any period, free building sites or such inducements as are ordinarily offered for the building up of progressive towns, but are attracted solely by the requirements of and the advantages offered by the town.

If the possibilities of the place, without the cooperation of a well organized and working Commercial organization, such as every well regulated town should have, attracts these enterprises, what might be expected of Lancaster, were her advantages given the proper amount of advertisement to the outside world.

In one of the richest and most productive counties of the state, with soil unsurpassed for fertility, not alone in Kentucky but throughout the world, with a record for growing a greater multiplicity of crops, and growing them good, than nearly any other section of the country, why should we not have a good town? Wheat, corn, oats, rye, barley, alfalfa and the various varieties of hay, hemp and tobacco, splendid pastures, a good live stock country, good turnpikes traversing the entire county, and all to feed the county seat, why then we ask, should not Lancaster be a good town? And last but by no means least, we have what goes more toward the success of a community than anything else, we have generous, kind hearted people, typical Kentuckians, lavish with the much vaunted southern hospitality, ready to welcome the stranger with open arms, to make his stay among us a pleasant one, or if perchance he comes to locate permanently, to make him forget his old associations, and to make his new environments so pleasant as to make him wish he might spend the remainder of his days in old Garrard.

We were about to forget the greatest inducement which we have to offer in Garrard county, our educational facilities. We state, and without fear of contradiction, that there is not a county in the state which surpasses Garrard in the educational facilities which we offer: one of the best Graded Schools to be found anywhere in Lancaster, and two Consolidated Graded Schools in other parts of the county, with the numerous county schools being kept up to the very highest possible standard, there is absolutely no reason why any resident of the county should be compelled to send their children away from home in order to secure an education.

## LIPSCOMB.

The following account of the death of Prof. M. L. Lipscomb, which occurred at his home in Columbia, Mo., on the 8th. inst., is taken from the Columbia (Mo.) Daily Tribune: Prof. Lipscomb married Miss Anne Robinson, of Lincoln county, who survives him and who is a sister of Mr. Joseph E. Robinson, Editor of the Record.

Prof. M. L. Lipscomb died of kidney trouble shortly after noon today after an illness of some weeks. The funeral will be held at the home tomorrow afternoon at three o'clock, and the services will be conducted by the Rev. Madison A. Hart, of the Christian church, of which deceased was a member.

Prof. Lipscomb was born in King William county Va., May 17, 1850, and came to Columbia as professor of physics at the University of Missouri in 1889 since which time he has resided here. A man of education, culture and high ideals, Prof. Lipscomb identified himself with the interests of the town on moving here, and his death leaves a gap in the community. Always considerate of others, quiet and unostentatious in his manner, a true friend, and a gentleman of the old school, Prof. Lipscomb was known and esteemed by everyone.

Prof. Lipscomb was a noted educator and one of the small numbers of University professors who stuck to their posts throughout the stormy period of the University, and he, with others, was responsible for the high standard maintained.

Mr. James Clark who has been appointed County Road Engineer for Garrard county, richly deserves the position. He is a democrat of the unserving stamp, and for many years has helped to fight his party's battles in the county without hope of pecuniary reward, has never sought office and the one to which he has just been appointed his solicitation. Mr. Clark is a practical farmer, has lived in the country all of his life, and is not only conversant with the needs of the roads of the county, but he is well qualified to attend to those needs. He is a gentleman of the highest integrity a popular gentleman and the county is to be congratulated upon securing his services.

## Seed Corn.

Walton Moss will have a wagon load of his choice seed corn in town next Monday.

## MONEY FOR SHEEP CLAIMS.

County Clerk J. W. Hamilton has received from the State Auditor a check for \$528.55 in payment for claims of Garrard county farmers for sheep killed by dogs during the year 1913. This amount will pay the claims in full and those holding claims may have them paid by calling on Mr. Hamilton.

## MEETING CONTINUES.

The protracted meeting at the Baptist church is still in progress and it has not as yet been determined just when it will close. Large crowds continue to attend every service and the interest grows as the meeting progresses. About a dozen additions to the church up to this time.

## MISS LEVY DUNN.

It will be sad news to many friends of Miss Levy Dunn to know that she was taken suddenly ill at her home in Bryantsville, Wednesday morning and remains in a critical condition. Miss Dunn is one of the most widely known ladies in the county and is prominently connected throughout this and adjoining counties. She is a sister-in-law of Mrs. W. A. Price of Lancaster.

## INTERESTING SPELLING MATCH.

An interesting spelling match was held Friday evening in the auditorium of the graded school building. Students, teachers and private citizens entered heartily into the contest. Mr. Robert Embury was chosen as captain on the winning side while the side of Mr. Robert Elkin was in the money but lost first and second. Three prizes were offered, the first \$5 in gold, being awarded to Lucian Grant, a sixteen year old graduate, the second prize of \$2.50 was won by Miss Eliza Smith, a member of the faculty, while the third prize of \$1 was won by Miss Patsy Kinnaird who saved the day for the Elkin side.

After a spirited contest between Misses Kinnaird, Smith and Lucian, Miss Kinnaird finally went down on the word n-e-g-o-t-i-a-t-e. Word after word was then given out, hard words, jaw breakers, words seldom seen or heard until the audience began to despair of getting home until the small hours, when Miss Eliza went down on the word t-w-e-l-f-t-h, Lucian winning the \$5 by spelling it.

## News Of The Churches.

Bro. S. H. Politt will begin a meet at Moreland next Monday night.

Rev. Claude Fawns will preach at the Methodist church here the first Sunday in May, both morning and evening.

The third quarterly conference of the Bryantsville and Buena Vista Methodist church, was held at Bryantsville last Saturday and Sunday, the services being conducted by Dr. Arnold, the district superintendent and the pastor, with excellent interest. Dr. Arnold spoke highly of the advance of the pastorate in the past year, in work accomplished; the advance taking the church up from the eighth grade of 1911, to "A-No 1" in annual year book record of one hundred charge of the Ky. conference, in 1913. The per cent advance in benevolent offerings, leaving Danville and Lancaster in the rear. A letter to the pastor, Dr. E. H. Pearce, from the general secretary of missions at Nashville, referred to the year work, as distinctive among all of the 7000 pastorates of the Methodist church in the south and asking "how it had been served". The luncheon served by the ladies of the church on Saturday was a happy occasion.

Mr. and Mrs. S. G. Haselden and Miss Kathleen Walter motored to the city of Danville, Tuesday.

Mr. Charles Davis, of Chattanooga has been the recent guest of Mrs. Elizabeth Joseph and sons.

Misses Iva Cook and Maud Edgar and Dr. Hatfield, of Danville, were pleasant callers in our city last Sunday.

Dr. J. A. Amon accompanied Mrs. Moberly, of McCreary to Louisville where she will be under medical treatment.

Dr. W. E. Barton of Oak Park, Ill., has arrived and is at the bedside of his sister Mrs. G. M. Patterson who is critically ill.

Miss Emma Nichols an experienced trained nurse who has been nursing Mrs. Alex West for six weeks has returned to her home in Danville.

Later reports from the Lexington Herald are that Mrs. Alice Walker, of Nicholasville, is much worse and her son, George, has been summoned home.

Mrs. Hayden Leavell, Mrs. Cephus Mergan and little Miss Lucile Thompson were called to Mt Vernon by the illness of their grandfather, Mr. H. H. Baker.

Mrs. T. J. Price gives a Reception Friday afternoon, from 3 to 5, the invitation list being limited to the members of the Womens Club. Delight

ful refreshments will be served the guests.

Admiring friends will regret to hear that Mrs. Alice Barkley Walker is not improved since her return to her home in Nicholasville after a stay in one of the hospitals at Lexington.

The Chautauqua Circle met Tuesday with the Misses Gill. The members are still enjoying the theme of "Evolution" or "Life in the Past." Supplementary, the lecture, "Move Upward", by Kate Upson Clark was also discussed at the meeting.

Little Miss Edith Moore was hostess at a birthday party on Saturday afternoon from 3 to 5 at her home on Haselden Heights. The occasion was in celebration for the 7th birthday of the winsome little lass. Twelve girl friends were invited to make the occasion a happy one. The home was artistic in its decorations of spring flowers, and the refreshments of ices and cake made the affair one of enjoyment to the youthful guests.

Misses Lizzie Bettis and Martha Kavanaugh, of Lancaster, who are attending the Normal School, spent Easter at home. Mr. and Mrs. W. L. Arnold and sons, and Mr. and Mrs. J. W. Arnold and family were recent guests of Lancaster friends and relatives. Mrs. C. W. Clay who has been visiting in Lancaster is now in Lexington with her friends. Miss Pearl Sebastian has as her guest Miss Bessie Prater, of Lancaster. Miss Lucy W. Doty, Judge Lilly's accomplished stenographer was the weekend guest of Danville friends.

One of the most interesting visitors to Lexington during the past week was Miss Emma Hays, of Stanford, who is, aside from Shellen Sauley, the most important connection of the Stanford Interior Journal. Miss Hays has been with the Interior Journal for about three years, and during that time she has perfected herself in all departments, including operating the linotype machine, as well as helping with the make-up. While Editor Sauley was at Frankfort in attendance upon the Legislature, of which he was the members from Lincoln county, the work of getting out this splendid county semi-weekly was done by this young lady, who has shown rare talent in the newspaper game and is the mainstay of the Interior Journal staff. Lexington Leader.

### School Notes.

(By Wm. F. Miller.)

Base Ball game Friday. Bro. Tindler was a welcome visitor at our school Friday and conducted the exercise.

Mr. Ware, who was asked to appoint a captain for the team, as yet has not done so, he will make appointment in a few days.

The town team will play the school team Friday afternoon at 2:45. The purpose of this game, is to get the school team in shape for Friday week.

After this week there will only be 3 more weeks of school. The last week of school will be set aside for examination. The Graduating night will be May 21st.

The following were visitors at our school Friday morning Miss Bettie W. Burnside, Mrs. Jno M. Farn, Mrs. Kauffman, Miss Bessie R. Sanders, Miss Leta Ray, Mrs. W. R. Cook.

On account of the teachers helping the Seniors on their play ("The Merchant of Venice Up-to-date") which will be given during the commencement week May, they will not have any more Friday morning exercises.

The spelling match was very well attended Friday night. After several beautiful solos by Miss Daniels, the captains who were Messrs R. L. Elkin and R. T. Embury began "Choosing Up". The prizes were won by the following Mr. L. M. Grant won the \$5.00 bill, Miss Eliza Smith the \$2.50 and Miss Patsy Kinnaird the \$1.00 bill. Mrs. R. L. Elkin and Prof. Hucker served as the Referee and Dr. J. A. Amon "gave out" the words. \$15 was realized.

The two seniors Mr. Lucian Grant and Miss Patsy Kinnaird who won two of the prizes Friday night are brilliant pupils and are pupils of Miss Robinson.

Since the erection of our new school building, every precaution has been taken to keep down any kind of disease which may arise, and also to see that our school ranks among the highest and very best of schools of Kentucky. Mr. Caneer is looking after the welfare of the school, as well as the pupils. He sees to it that our building, which sits upon the most beautiful spot in Garrard county is carefully looked after. The rooms have plenty of good sun light and we have an air ventilator in each room, which makes it perfectly comfortable at all times, winter or summer. The rooms and halls are thoroughly disinfected each week. We have steam heat, and cedar and sanitary desks, hats and cloak hangers two sanitary drinking fountains, one on the first floor and another on the second floor, two sanitary lunch rooms, one for the boys and one for the girls. School begins at 8:15 and at 10 o'clock we have our first recess for fifteen minutes. We are dismissed from 12 to 12:45 for dinner period. Work then begins at 12:45 and are dismissed at 2:42 for the day. There has been less sickness this year than for many years. The school as a whole has not missed one day on account of sickness and it is due to our new and sanitary school building. All these conditions make the Lancaster High School sanitary and up-to-date.

### COLLIER.

Mrs. Kate Collier, wife of Mr. J. B. Collier, died at the home of Mr. U. D. Simpson in this city at 1 o'clock Wednesday, and her remains will be interred in the Lancaster cemetery Friday afternoon after services at the Christian church by Elder F. M. Tindler at 2:30 o'clock. Mrs. Collier has been a long sufferer from a complication of diseases and everything that the care of loving relatives could do afforded her no relief. Some months ago she was taken to the home of her son Mr. Charles Collier at Fork Ridge Tenn., in the hope that the change in climate and surroundings would have a good effect, but her condition was not improved by the change and about a week ago she was brought back to Lancaster.

She was 57 years old last November and was married to Mr. James B. Collier when she was seventeen years of age; to this union was born four children, Mr. W. H. Collier, of Bell Delico, Ky., Mr. Chas. Collier, of Fork Ridge, Tenn., Mr. Ed. Collier, of Danville, Ky., Miss Elizabeth Collier, of this city, all of whom, together with her husband survive her. She is also survived by three sisters Mrs. Wm. Jones of Winchester, Mrs. Charles Richardson of Lexington Ky and Mrs. J. C. Robinson of Lancaster.

Mrs. Collier was a daughter of the late J. G. Sweeney, at one time one of Lancaster's most prominent merchants. She was a lifelong and consistent member of the Christian church, and a most lovable woman. Possessed of a cheerful disposition she was loved by a circle of friends which embraced the entire community in which she was born and reared. Devoted to her husband and children, even in her last fleeting hours her deepest and only regret being at the necessity of parting from them, kind hearted and true friend and neighbor, self sacrificing and benevolent, ever seeking to do some good for others, it may truly be said that at the death of Mrs. Collier there is taken from the community one of its best beloved and noble women.

The multiplicity of floral offerings and the solicitude of a host of anxious friends in her final hours gave touching evidence of the high esteem in which she was held.

The heart felt sympathy of the entire community, in which the Record joins, goes out to the bereaved father and children in their sore affliction and hour of trouble.

### TOMLINSON.

After a lingering illness, of arterial pressure lasting for a period of over six months the spirit of Mr. H. J. Tomlinson took its flight Monday morning at 6:30 o'clock.

The sickness and death of this noble man has perhaps elicited more lamentation than that of any other for a number of years, a man of broad information, yet quiet and unassuming, loving the rural life, mingling with the poor and needy in their hours of deepest distress when only the comforts of the gospel could be given. Mr. Tomlinson early gave his heart to God uniting with the church in youth, and he nobly espoused the cause which he professed. For nearly half a century he was Sunday School Supt. serving for the past twenty five years at Brown's Chapel, M. E. Church, Buena Vista. Always at his post of duty, unless providentially hindered, teaching, exhorting, praying. We always associated him with the Holiness village preacher, "that if any came to scoff, they remained to pray."

Mr. Tomlinson was married to Miss Belle Robinson in 1888, and to this union were born eight children, four dying in infancy, four living. Mrs. Elizabeth Burgess, Mrs. Bradley Cunningham, Miss Frances and Hugh J. Tomlinson now of Toledo, Ohio. Beside his immediate family Mr. Tomlinson is survived by three sisters and one brother, Mrs. Melvin Harris and Mrs. R. C. Adams, of Lexington, Mrs. T. L. Mudd, of Kansas City Missouri, and Hon R. H. Tomlinson of Lancaster. The funeral services were conducted at the home Wednesday morning at 10 o'clock, the Rev. Godly of Nicholasville, officiating assisted by Rev. J. Rockwell Smith of Lancaster, and Dr. E. H. Pearce, of Danville. Interment taking place in Danville cemetery under rites of the Masonic order.

"Nay do not say his work is done For it has only just begun." "I've just grown weary on the way, and wished to rest in life's bright day. By songs of angels soft and sweet, I'll rest awhile then new life greet, then I'll take up my work again. With out the weariness and pain. Some time I'll wake—I know not when, I only know God will be there. And He will give to me a place, And I'll still show his love and grace Relieved of all that hindered here, I'll fill a nobler broader sphere. Then do not weep but wear a smile, I've just lain down to rest awhile."

### HARRIS.

Mrs. Susan Harris, 84 years of age and long a native of Lincoln county, died Wednesday at the home of her son Capt. Sam Harris, and will be buried Friday afternoon at three o'clock in Buffalo cemetery. She is survived by four children, Capt. Sam Harris, Mrs. Bettie Bush, Mrs. Ann Engleman and Mrs. E. P. Woods.

## Winner on the Track and In the Show Ring Against the Best in the Land.

The only real proof of the individuality and soundness of the stallion is the show ring. It gives Melrose Farm great pleasure to again offer the services of the well-known horses, Thistle Downe, winning race record 2:09 1-4 on the grand circuit and winner of the champion roadster stallion class at the Kentucky State Fair, 1913, and Chimewood, 2:19 1-4 considered by many the best trotting stallion in the world, winner of the trotting bred stallion class at the Kentucky Fair, 1913.

Baldy McGregor 2:26 3-4, who recently sold for \$40,000.00 in Europe and Lasso McGregor, who recently sold for \$10,000.00 in this country, are a brother and sister of Thistle Downe 2:09 1-4, who is himself the sire of Zulu 2:29 1-4 and Madera Downe (2), 2:26 3-4, and who has a large number of colts in training in the hands of Kentucky's famous reinsman, Ben Kennedy, and it is confidently expected that a number will race to fast records this year.

Chimewood has the distinction of being more sought after by Government Commission than any stallion in America, and they offered the largest price, \$3,000.00 cash, they offered for any stallion, which was refused.

TERMS are Thistle Downe, \$35.00 to insure; Chimewood, \$25.00 to insure. Mares kept on grass at owner's risk.

BLEUCHER is a perfect type of a road horse, good colored, with perfect manners, weighs no bones or weights. He has an undoubted record in the Standard Book Class for 1913, and is considered by good judges to be the best road horse on the year.

This is a good opportunity for farmers and adjoining counties to breed in to the best families of the trotting blood. Look this horse's breeding over and see how they have in the list both sire and dam.

This great trotting Stallion will make the season of 1914 at my stable in Lancaster, Kentucky, at

\$20.00 To Insure A Living Colt.

I am prepared to take care of mares on grass at 10c per day. Lien retained on colts for service fee. Money due when mare is traded or parted with. Care taken to prevent accidents but not responsible should any occur.

## Squirrel Peavine

will make the season of 1914 at my barn at \$10.00 TO INSURE A LIVING COLT.

He is 5 years old, 16 hands high, black and is sired by Ky. Peavine, 2889, he by Rex Peavine 1796, he by Rex McDonald 833. His dam Black Dave by Stonewall Jackson, he by Washington Denmark and he by Imp. Hedgeford. He holds a high head and tail, has good action and as much style as old Peavine and has proven himself to be a good breeder.

A lien will be retained on all colts to secure the payment of season. Will use every means to prevent accidents but not responsible should any occur.

## T. O. HILL,

# Kentucky's Choice 3765.

Foaled 1905

At \$75.00 To Insure A Living Foal.

KENTUCKY'S CHOICE 3765, Sire My Own Kentucky, by Chester Dare 10. 1st dam, Little Kate 5821, by Prince of Denmark 425. 2nd dam, by Jupiter son of Commodore. 3rd dam, by Stump, the Dealer 92.

1910 show record, 35 first including 8 championships, 1911 show record, 41 first including 15 championships and 2 grand championships. 1912 only made 20 shows, winning 16 firsts, including 3 champions, 3 seconds and 1 fourth. 1913 shown 10 times, winning 10 firsts. Has won first for the past three years at Lexington in breeding and herd classes. He won first in 1912 and 1913 at Kentucky State Fair in the class for best stallion in service, defeating in 1913 his full brother, Kentucky's Best. Kentucky's Choice has headed the winning herd at the Kentucky State Fair for the past two years. He is today America's greatest Saddle Stallion, not as a matter of opinion but as a demonstrated fact.

Sire of Imperator Rex, which sold at 15 months for \$1500, again before two years old for \$2800, the highest price ever paid for a Saddle-bred colt of the same age. Sire of Richard de Lion, won more prizes than any yearling out last season. A 1914 foal, dam Edna Mae, has just been sold for \$1200 to Mat S. Cohen and James Gay. This colt to be delivered in October.

At the Danville Fair, Kentucky's Choice and his get won the class for the best horse and five of his colts. Kentucky's Choice colts won every first prize given for Saddle-bred sucklings at both the Danville and Stanford Fairs, including stakes at both places and were high up in the ribbons at the Blue Grass and State Fairs, the only other places where shown. Mares pastured at \$2.00 per month, grain fed at \$2.50 per week. Ship mares to me at Danville over the Southern and C. & O., to Parksville over the L. & N. All mares will receive my personal attention and all care taken to prevent accidents but not responsible should any occur. For further particulars, address

JOE McDOWELL, Agt., Danville, Ky.

We have for sale some nice two years old and yearlings in both Stallions and Fillies, sired by Kentucky's Choice, out of dams by such sires as Chester Dare 10, Rex Peavine, Highland Denmark, Chester Chief and Dignity Dare. A few select brood mares in foal to Kentucky Choice.

# MI-O-NA FIRST AID TO SICK STOMACHS

Distress after eating, belching of gas and undigested food, that lump of lead feeling in the stomach, sick headache, and biliousness indicate dyspepsia. Now—at once—is the time to remove the cause and stop the distress.

Mi-o-na is the remedy. Surely get a box of these health-restoring tablets from R. E. McRoberts today. Besides quickly stopping the distress Mi-o-na soothes the irritated walls of the stomach and strengthens the gastric glands so that they pour out their daily supply of digestive materials—your food is promptly digested and assimilated, the entire system is properly nourished—you feel strong, energetic and perfectly well.

Mi-o-na is not an experiment—it is not a cure-all—it's a scientific remedy recommended only for indigestion distress and out-of-order stomachs. These health-giving and harmless tablets are a household remedy—keep them handy whether at home or traveling.

## RHEUMA WILL STOP URIC ACID DEPOSIT

Rheumatic Complications Checked and the "Hsman Sewers" Restored.

The Kidneys, Bowels and Skin are the "human sewers" which carry off the impurities in the blood. When these are clogged Uric Acid sediment lodges in the muscles and joints and Rheumatism follows. RHEUMA, the great remedy for all forms of the terrible disease, checks the deposit of Uric Acid.

"I suffered from Rheumatism for six years. Tried different doctors, with no relief. I have taken three bottles of RHEUMA and am entirely free from the disease."—P. W. Miller, Catawissa, Pa.

R. E. McRoberts will return your money if it fails; 50 cents a bottle.

## CRAB ORCHARD.

Mrs. Emma Farris is with friends in Junction City.

Mrs. Nancy A. McClure is with Mrs. Goode in Stanford.

The Misses Hilton of Stanford are visiting their aunt Mrs. J. Thomas Cherry.

Stephenson Dozier is in Stanford for a few days with his aunt Miss Pattie Stephenson.

Mr. Jeff Steinberger is home with his family for a few days. He is at work in Eubanks.

Mrs. Hannah Steger is doing nicely and her physician has promised to let her sit up in a couple of weeks.

Misses Mae and Stella Campbell of Danville returned home Saturday for a pleasant visit with Mrs. Henry Campbell.

Mrs. Grove and son David Burdette of Somerset are with their sisters Mrs. Reuben Bronaugh, and Mrs. Sam Tatum, for a short visit.

Fruit trees are bending beneath their load of bloom, and today the clouds are threatening to send down snowy gloom. It's been so warm and balmy folks felt like shedding clothes, but today is bleak and stormy pinching, fingers and nose, and this is Kentucky climate.

The entertainment given at the Springs Friday night was decidedly the best play given here by local talent in many years. Each one did so well we would like to give them individual mention if possible. About twenty five of Brodhead's citizens witnessed it, also many from Stanford, Lancaster, Mt. Vernon and Preachersville. About fifty dollars was made, which goes to the Christian church. Mrs. Calida Newland and Mrs. Daisy Hunt who got up the play deserve much credit for the success met with, and have been untiring in their efforts to assist the church.

## What Cures Eczema?

We have had so many inquiries lately regarding Eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen, as compounded in D. D. D. Prescription, can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called Eczema remedies on the market, we ourselves hesitatingly recommend D. D. D. Prescription.

Drop into our store today, just to take over the merits of this wonderful Prescription.

# A Good Jack, and a Stud Pony to make the season at TINKER'S RETREAT.

Hyattsville, S. H. ALDRIDGE, Proprietor. Kentucky.

## OLD BLACK JOE.

This Jack is 3 years old 15 hands high not up on stilts, but stout built, good body and bone. He is by Old Huger, the Jack the Burton's stood, and has as many good mules to his credit, as any Jack in the county. The dam of this Jack is John Morgan bred, and traces back to such famous sires as Beecher, Prime Minister and Joe Blackburn.

## SILVER SILK.

A beautiful black and white spotted pony, 54 inches high, good style and action, is sired by San. Cecil's pony who has as many blue ribbons to his credit as any pony in Boyle county. His dam is an extra good pony mare and he certainly shows good breeding. They will stand at

\$8.00 Each To Insure A Living Colt.

A lien will be retained on all colts until season money is paid and the season is due from the man who bred the mare, if sold or parted with. Care taken to prevent accidents but not responsible should any occur.

Registered Hampshire Hogs for Sale at All Times.

# Alexander Stamp, 12696.

Foaled April 12, 1906, bay blaze and three white feet, sired by William Stamp, 9740.

Dam Sally Hamilton, 12426. This is an awful good breeding Clyde breeds, good form, broad and close to ground. Just the horse to get work and brood mares from.

Recently I met a Ranchman from South Dakota who bred over 100 mares yearly and he said "The Clyde Horse was the only draft he could get, that would get him a saleable horse from a Texas pony mare up," this means a great deal as our horses are too small as a rule for work or good mule mares. This horse has proven as sure as any horse I ever kept for service.

\$12.00 TO INSURE.

I will also at same time and place stand Two Black Jacks, 15 and 15½ hands, standard, as much bone, foot, head and ear as Kentucky affords with lots of weight, both sound and prompt. Look at the above stock before breeding.

Jacks Stand at \$10.00 To Insure.

These Jacks were bred in Nelson County, Kentucky, and by what was known as the Bivion Jack, considered by all who know him to be as great as the greatest. He was 16 hands high. Dam of older Jack was by Governor Wood, a great one. I guarantee satisfaction when your colt comes. Above stock will make the season of 1914 at Buena Vista, Ky. A lien retained on all colts for season money. For further information apply to

G. H. RUBLE, Agent.

SEASON 1914.

# CHIEF NAPOLEON, No. 5107.

This royal bred Jack will make the season at my place at \$10.00 for horse mule, \$20.00 for mare mule, \$20.00 for jennet colt, \$10.00 for Jack colt. Chief Napoleon is by Hill Napoleon, 3rd, No. 3705, 1st. Dam, Ky's Best, 2654, by John Morgan, Sr. 1954. 2nd. Dam Joe Blackburn 1154, by Daisy, 1215, Hill Napoleon 3rd, by Baughman Napoleon, 2nd, he by Napoleon 1796, he by old Napoleon, 1436. Hill Napoleon dam Missouri Queen, by Senator Beck 2149, by Daniel Boone 1456. I consider this the best young Jack I ever owned. He has served only two jennets and both are with foal. He is 15 hands high, black with white points.

I will also stand another fine Jack

## Beecher Morgan.

At \$6. for Horse Mule and \$9. for Mare Mule.

He is 15½ hands high, black with white points and a fine individual. He was sired by John Morgan 2705, (T. O. Hill's champion Jack) Dam Nannie B. 2653, by Old Beecher, the greatest breeding Jack of his time.

# Dorsey Gold Dust, Jr.

Kentucky's finest Saddle Stallion will make the season at my stable, one mile East of McCreary and six miles East of Lancaster at the very low price of

\$10. to Insure A Living Colt

He is a rich chestnut in color, about 16 hands high and weighs about 1,200 pounds, with fine mane and tail and plenty of bone and substance, with lots of natural style. He has racked quarters in forty seconds and stopped just as fast in harness, both in trot and pace. He is bred in the purple, being by the great Dorsey Gold Dust, 12052. He is a full brother to Stella, by Zesida Gold Dust, 4100, he by Gold Dust 150, he by Vermont Morgan, he by Justin Morgan, he by old Comet Morgan. 1st dam Peavine 55, by Young Diamond, he by Diamond Denmark, he by Washington Morgan. He has proven himself a champion breeder and has shown some of the best colts in Central Kentucky, ranging in price from \$125.00 to \$150.00 as weanlings. His books are filling fast. Visitors are welcome at all times.

I retain a lien on all colts until season money is paid. Mares transferred or bred elsewhere, forfeits insurance and must be paid at once. Care taken to prevent accidents, but not responsible should any occur. Phone 361-B.

### This Beats Any Spring Medicine You Ever Saw. The Way ROOT JUICE Cleans Out the Blood and Builds Up the System Is Surely a Wonder; Guaranteed.

"That ROOT JUICE Has Certainly Made a Wonderful Change in Me."

"Glorious! I've only taken that ROOT JUICE a week and feel like a new person already. It beats anything I ever saw for giving the blood and the entire body a top-to-bottom spring cleaning and toning up."

That's what everybody says, and no wonder. The action of ROOT JUICE is just the action that everybody, young and old, needs every spring.

At this time of the year the body is all clogged up with an accumulation of filth and impurities that have been collecting all winter. The blood is thick, impure, and all the organs of the body are half asleep. That accounts for the well known "fagged-out," tired, lazy, good-for-nothing feeling that people call Spring Fever.

ROOT JUICE, a genuine blood cleanser and system builder, made from a new and scientific combination of roots, herbs, leaves and barks. It's safe, too, absolutely free from any injurious or habit-forming drugs, and as a tonic for weak, run-down, debilitated people it beats anything that you ever saw in all your life.

It sharpens up the appetite, improves digestion, stirs up the liver, gently regulates the bowels, tones up the kidneys, gives new force to the nerves and strengthens, revitalizes, invigorates the whole system. For old folks it is simply a wonder. Fine for rheumatism, backache and stiff, sore joints.

And it works quickly. You don't have to use a gallon of it and take it for six months to see results. You'll see an improvement in a few days, feel new "pep" and vim and "ginger" and you'll get up in the morning after a good night's sleep rested, refreshed and ready for anything. Try it. It's guaranteed and the druggist will give you back your money if you want it after using the whole bottle. You take no chances with ROOT JUICE. It's got to do the work or costs nothing.

Be sure you get the genuine ROOT JUICE. Don't let any druggist palm off some imitation on you. There's nothing just as good and there's only one genuine ROOT JUICE.

## Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nothing can be done but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

The severe drought which has prevailed the past summer in many sections has been hard on the new seedling of alfalfa along with other crops. Because of this it will be a good idea to omit the last cutting that is often made, for the plants will need winter protection all the more because of lessened vigor and depth of root.

Not all mares are out of commission as producers of good colts when they reach the age of fourteen or sixteen years. A friend at whose farm the writer happened to call the other day pointed out a mare that was twenty-three years old which had by her side as handsome and vigorous a colt as one could desire. In fact, it was by all odds the best looking youngster on the place and was classy enough to take a prize at a county fair.

When the American hired man kicks on his \$35 a month, board, washing, horse and buggy to take his best girl, a-riding, etc., he might be reminded of the fact that in the province of Shanghai, China, the hired man's wages are \$6 a year. A day laborer receives 10 cents a day and the farm laborer still less. The food used by the laboring man consists of sweet potatoes, beans, wheat products and vegetables costing on the average about 2½ cents a day.

Goose Killed With a Golf Ball.  
A day or two ago a well-known member of the Royal Dublin Golf club, while playing on the links at Dollymount, Clontarf, and approaching the sixth hole with a driving mashie, killed a barnacle goose with a golf ball. As the shot was played the bird was swooping and, being struck on the neck, fell to the ground dead.

Friendship Not to Be Patched.  
Friendship is a vase which, when it is flawed by heat, or violence, or accident, may as well be broken at once. It can never be trusted after. The more graceful and ornamental it was, the more clearly do we discern the hopelessness of restoring it to its former state. Conquer stones, if they be fractured, may be cemented again; precious stones, never.—Lander.

Bad Effect of Moonlight.  
There is scarcely any region on this globe, from the equator to the newly found continent of the arctic circle and the lately discovered south pole, where there is not a general belief in the powerful and deleterious effects of moonlight on fish, newly planted seeds and to a lesser extent on meat which is to become food, says a writer in the New York American.

Queer Refuge for Hunted Stag.  
Pursued by hounds a stag bounded in through the open French windows of the Y. M. C. A. buildings at Ashbourne House, Epsom, England, and took refuge in the ladder, which measures eight feet by six. The huntsman and whips quickly came up and, securing the stag with ropes, placed it in some stables, from which it was removed shortly afterwards.

### Awaken to Enormity Of Crimes Of the House Fly

IF ten terrible monsters came every spring to this country and all summer long devoured the people, chewing babies as we eat blackberries biting off the heads of young men, goring the aged to death and stalking about among us as a lion among the martyrs of the Coliseum, we should be up and doing, militia would march forth to give them battle, colonels would wave swords, guns would belch and no enthusiasm would be lacking. But when the monster is small and playful and common we let him ravage. He doesn't somehow appeal to our imagination. Yet he does more harm, being 10,000,000,000 or so, than any ten minotaurs, polyphemuses or dragons that ever posed in the pages of tradition. He is the common house fly. Although much has been said about him and his deadliness, the people are not yet alive to the enormity of his crimes. There are thousands of kitchens where flies still swarm and infect the food, thousands of babies over whose faces and upon whose lips flies spread their poison, thousands of restaurants and lunch counters where flies are busy at the work of thinning out the human race.

### FLY WISDOM.

FLIES FOLLOW ILTH  
FEVER FOLLOWS LIES

HERE are some fly proverbs that read like the wise bits in Ben Franklin's "Poor Richard's Almanac."

It is better to screen the cradle and wear a smile than scoff at the precaution and wear mourning.  
Flies in the dining room usually precede nurses in the sickroom.  
Screws in the windows prevent craps on the door.  
Flies as well as bad water spread typhoid.

A fly in the milk may mean a member of a family in the grave.  
A fly has natural enemies. The most persistent and most effective should be man.

It costs less to buy a screen door than to get sick and lay off for a month.  
It's a short haul from the garbage can to the dining table via the fly route.  
If at first you don't succeed, swat, swat, swat again.

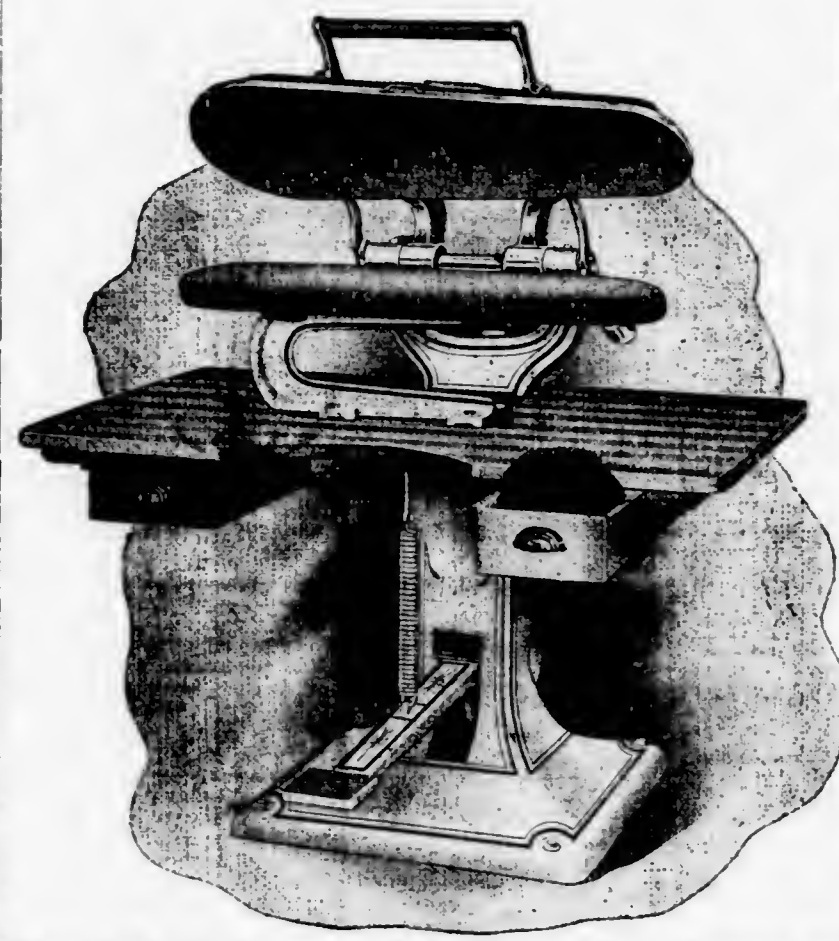

### Prevent the Fly—NOW.

PREVENT the fly and you won't have to swat him later. The time to fight him is before he becomes a fly. It is a problem of the elimination of filth where flies play, eat and breed. Do away with the breeding places and there will be no flies. Especial attention should be paid to stable and kitchen wastes. Clean up thoroughly around the stables and under the stable floors with the liberal use of chloride of lime.

### Flies Greatest Germ Carriers.

The mosquito implants the germ of malaria, and flies carry the germs of tuberculosis as well as other diseases such as typhoid and diphtheria. Don't wait until the war begins to kill the fly.  
Swat him now before the bacteria begin to propagate.
